## “All Around the Mulberry Bush”

After singing the song two times, substitute a different animal for the monkey. Ask the children to provide their favorite animal. When gathering the infants and toddlers for this song they can sit or stand. Add movement by clapping hands. At the end of the verse where it goes “Pop!” everybody raises their hands in the air and says, “Pop! Goes the weasel!”

All around the mulberry bush,  
The monkey chased the weasel,  
The monkey thought ‘twas all in fun,  
Pop! Goes the weasel!

(choose a new animal)

All around the mulberry bush,  
The bunny chased the weasel,  
the bunny thought ‘twas all in fun,  
Pop! Goes the weasel!

(repeat with a new animal)
