“Rain Song”

(Sing to the tune: of “The Farmer in the Dell”)

(make big circles with arms overhead)

The rain is in the clouds,
The rain is in the clouds,
The winter comes to bring the rain,
The rain is in the clouds.

(spin in circles)

The puddles are on the ground,
The puddles are on the ground,
The winter comes to bring the rain,
The puddles are on the ground.

(use fingers to make rain fall from the sky)

The rain falls from the sky,
The rain falls from the sky,
The winter comes to bring the rain,
The rain falls from the sky.

(jump with two feet straight up and down)

We jump in the puddles for fun,
We jump in the puddles for fun,
The winter comes to bring the rain,
We jump in the puddles for fun.

(make stomping sounds with feet)

The rain lands on the roof,
The rain lands on the roof,
The winter comes to bring the rain,
The rain lands on the roof.

(spread hands and arms wide)

The rain is all around,
The rain is all around,
The winter comes to bring the rain,
The rain is all around.

(tap on head with fingers like rain)

There's raindrops on the window,
There's raindrops on the window,
The winter comes to bring the rain,
There's raindrops on the window.
