“The Animal Marching Song”

(Sing to the tune: “The Ants Go Marching“)

Use five fingers to count off 1, 2, 3, 4, 5 with each chorus.

The animals march in one by one, Hurrah, Hurrah!
The animals march in one by one, Hurrah, Hurrah!
The animals march in one by one,
A little skunk that is feared by none!
And they all go marching on, into the forest,
to get out of the rain! Boom! Boom! Boom!

The animals march in two by two, Hurrah, Hurrah!
The animals march in two by two, Hurrah, Hurrah!
The animals march in two by two,
A tiger and a kangaroo,
And they all go marching on, into the forest,
to get out of the rain! Boom! Boom! Boom!

The animals march in three by three, Hurrah, Hurrah!
The animals march in three by three, Hurrah, Hurrah!
The animals march in three by three,
A frog, a snake, and a swarm of bees,
And they all go marching on, into the forest,
to get out of the rain! Boom! Boom! Boom!

The animals march in four by four, Hurrah, Hurrah!
The animals march in four by four, Hurrah, Hurrah!
The animals march in four by four,
Giraffes that bend to get in the door,
And they all go marching on, into the forest,
to get out of the rain! Boom! Boom! Boom!

The animals march in five by five, Hurrah, Hurrah!
The animals march in five by five, Hurrah, Hurrah!
The animals march in five by five,
And all are happy that they are alive!
And they all go marching on, into the forest,
to get out of the rain! Boom! Boom! Boom!
