“The Itsy Bitsy Spider”

Use hands to mimic a spider climbing a spout, the rain, and sun.

The itsy bitsy spider went up the water spout.
(creep fingers up on each other)
Down came the rain, and washed the spider out.
(wiggle fingers as if water coming down)
Out came the sun, and dried up all the rain,
(raise hands in big circle as if mimicking the sun)
and the itsy bitsy spider crawled up the spout again.
(crawl fingers again)
