“Hop, Hop, Crawl, Crawl, Insect Song”

Hop, Hop,
Creep, Creep,
Crawl, Crawl,
Fly, fly, fly, fly, fly.

An insect has 2 antennae,
(fingers wiggling over head)

An insect has 6 legs,
(wiggle legs and arms)

An insect has a head,
(hands on head)

An insect has a thorax,
(hands over heart)

An insect has an ab-do-men,
(pat tummy with both hands, while shaking hips)

And so do I.
(wiggle about)

Repeat verse 1 with children
