“Twinkle, Twinkle, Little Star”

Twinkle twinkle little star,
(open and close fingers)
How I wonder what you are?

(open both hands wide like a question)
Up above the sky so high,
(point up to the sky)

Like a diamond in the sky,
(make a diamond with fingers)

Twinkle twinkle little star,
(open and close fingers)
How I wonder what you are?

(open both hands wide like a question)
