“Winter Rains are Falling Down”

(Sing to the tune: “London Bridge is Falling Down”)

Winter rains are falling down, falling down, falling down,
Winter rains are falling down,
All around us!

Feel the raindrops on your hand, on your hand, on your hand,
Feel the raindrops on your hand,
It feels so good!

Jump in puddles if you can, if you can, if you can,
Jump in puddles if you can,
Splash, splash, splash!

Time to dry off back inside, back inside, back inside,
Time to dry off back inside,
The rain was so much fun!
